

TUCK ME IN

By Kathi Gunio

It's time for bed, so tuck me in.
Pull up the blankets to under my chin.
Fluff the pillow under my head.
Whisper of sweet dreams ahead.

The familiar sounds of the day,
Are slowly, slowly fading away.
Hear now the silence of the night,
And tuck me in, safe and tight.

Slumber time is very near,
Sleepy eyes will soon be here,
Dream land is around the bend,
As nighttime is here once again

Remind me that it won't be long,
Until we greet the break of dawn.
Blue turns to black as nighttime begins.
It's bed time now, so tuck me in.

Sit next to me for a moment and stay,
Listen to me while I pray,
Stay with me until I'm through,
Then read me a book, or maybe two.

You can sing me songs like sweet lullabies,
Until I get sleepy and close my eyes,
Kiss me good night on my forehead and then,
Tomorrow night tuck me in again.
